5. Pre-application Procedures

The following procedures apply to development proposals that may lead to applications for an Official Community Plan amendment, Zoning amendment or a Permit related to land development:

- a) Development Services staff are the first contact with developers when considering or applying for a development. Developers' contact with Council will be through their duly convened meetings.
- b) Development Services staff are available to advise developers about their proposals before they submit a formal application. The objective of this service is to define development objectives and priorities while saving time and costs for the developer and staff later in the actual application process.
- c) At staff's discretion, Council may be consulted on a development proposal and feedback returned to the developer. Where staff and Council consider it advantageous, a developer may be invited to personally make representations.

6. Types of Development Permits

A **Development Permit** is required in specific areas in the City identified as "Development Permit Areas" in the Official Community Plan. City must first authorize a Development Permit as follows:

- i. For land to be subdivided, a Development Permit for Development Permit Areas other than the form and character Development Permit Areas;
 - ii. For Building Permit to be issued for construction in one of Development Permit Areas.
- a) A **Facade Minor Development Permit** is required for development in the form and character Development Permit Areas including:
- i. exterior renovation/ restoration to an existing building façade;
 - ii. application of new exterior finish materials;
~~painting of the building exterior~~
 - iii. ~~installation of patio, deck~~, awning, canopy or other projections;
 - iv. ~~landscape changes or new landscaping; and,~~
 - v. ~~siting of shipping containers.~~
- b) A **Major Development Permit** is required for all development in the form and character Development Permit Areas other than that specified in section 6.a.
- c) A **Hazardous Conditions Development Permit** is required for all development in Development Permit Areas other than the form and character Development Permit Areas, for protection of natural environment and protection of development from hazardous conditions, as outlined in the Official Community Plan.
- d) A **Sign Development Permit** is required to install any signage in "Highway Corridor Gateways" or ~~"City Centre"~~. In the opinion of the Development Approving Officer, if any other proposed Sign necessitates detailed review, an application for Sign Development Permit shall be required.

7. General Terms and Conditions of Development Permits

- a) The scope of a Development Permit may include some or all of the following matters as applicable to a particular property:

- i. Provision and funding of water, sewer, storm drainage and road servicing;
 - ii. Implementation of requirements pursuant to the Zoning Bylaw, a density bonus, development permit area(s), or development variance permit(s);
 - iii. Landscaping securities; and,
 - iv. Any other related matters
- b) Where landscaping is a condition of a Development Permit, the applicant shall provide a security deposit, in the form of either an Irrevocable Letter of Credit, cash, or certified cheque in a form satisfactory to the Director of Financial Services, or authorized designates, **as per the amount specified in the Zoning Bylaw.**
- c) **Phased landscaping plans and securities: Landscape Plans may be approved for largescale developments at the discretion of the Development Approving Officer to enable the completion of the landscaping in phases and allow for the submission and return of the related security deposit at each phase. The Applicant is required to request a phased approach to the execution of the landscape plan at the time of the Application for a Development Permit, clearly identifying on the submitted landscape plan the proposed phases and related cost estimates for each phase as prepared by a Professional.**
- d) The holder of a Development Permit shall be the owner of the subject property to which the Permit applies.
- e) City approval, for Amendment to the Development Permit, is required for transferring any Development Permit to a new property owner for it to remain valid, predicated on the satisfactory refunding and recollecting of posted securities and subject to all other requirements of this Bylaw.
- f) All Building Permits issued and all works undertaken subject to a Development Permit must be in strict compliance with its terms and conditions.
- g) A Permit holder may apply for an amendment to the terms and conditions of their Development Permit. City approval is required for any changes to the original Permit.
- h) The City will only approve a new Development Permit subject to an expiry date of ~~twenty-four~~ **twelve (12) months** from the date of its approval; extensions will only be granted under extenuating circumstances, otherwise re-application will be required.
- i) A Development Permit will only remain valid if a Building Permit is issued within twelve (12) months from the date of Development Permit approval for all subject works under the Development Permit requiring a Building Permit; otherwise, the Development Permit will expire no extension is permitted.
- j) If a Building Permit expires pursuant to the City of Merritt Building Bylaw, any concurrent Development Permit for the same subject works will automatically expire with it on the same date and no extension is permitted. If the subject works have proceeded prior to this, the land will have to be restored to the original form.
- k) Prior to any subject works proceeding, the City and permit holder may mutually agree at any time to cancel a Development Permit, and with it any subject Building Permit application or approval.
- l) The City will return any securities collected for an expired or cancelled Development Permit.

8. Public Notice

- a) *Where public notice is required by the Local Government Act [RSBC 2015] CHAPTER 1, as amended from time to time, or directed by the City for land use amendment bylaws*, the notice must be mailed or otherwise delivered to the owners of all lots which are subject to the bylaw alteration or variance, and all owners located within thirty (30) metres from the area that is subject to the bylaw alteration or variance.
- b) The distance in 8(a) is a minimum and may be broadened to reach more recipients at the discretion of Council and/or the Administrator or their designate.
- c) Where an amendment bylaw alters the permitted use or density of an area, the *Local Government Act [RSBC 2015] CHAPTER 1, as amended from time to time*, requires that a notice stating such be advertised in 2 consecutive issues of a local newspaper, the last publication to appear not less than 3 and not more than 10 days before a public hearing on the matter.

9. Public Notice Signage

Where required by the Local Government Act [RSBC 2015] CHAPTER 1, Community Charter [SBC 2003] CHAPTER 26, as amended from time to time, or directed by Council or its delegates, the applicant shall post at their cost a sign or signs in a prominent location on the subject property notifying the public of a pending application. Signs must be posted in accordance with the following:

- a) Signage must be posted, updated and retained on the subject property to adequately notify the general public as follows:
 - i. Signs must be posted at least ten (10) calendar days prior to the application first going to Council;
 - ii. Signs must be updated a minimum of ten (10) calendar days prior to a Public Consultation Meeting for an Official Community Plan Bylaw Amendment, or the meeting will be delayed;
 - iii. Signs must be updated a minimum of ten (10) calendar days prior to a Public Hearing for a Zoning Bylaw Amendment, or the Hearing will be delayed; and
 - iv. Signs must remain on site until the development application is approved or denied or the application abandoned and be removed within seven (7) days of a Council decision.
- b) The signage shall be placed approximately three (3) metres inside the property line and must be clearly visible to the general public. The City may require at least one sign every one hundred (100) metres. Where a site abuts more than one road, the City may require one sign for each road frontage.
- c) The size, layout and arrangement of text on the sign(s) shall be in general accordance with the Sign template sample supplied by staff if public notice is required. The overall dimensions of each sign shall be 1.2 metres by 2.4 metres ~~(4 ft. by 8 ft.)~~.
- d) The sign text shall be subject to the City's approval and shall contain the following information:
 - i. The City-assigned Application number.
 - ii. The purpose of the application.
 - iii. The civic address and legal description of the subject property.
 - iv. A map measuring 0.6 metres by 0.6 metres showing the subject property in relation to surrounding properties.

- v. Existing and, when applicable, proposed Official Community Plan and Zoning designations.
- ~~Details of Variance, if applicable.~~
- vi. The date, place and time of the Public Consultation Meeting or Public Hearing.
- vii. Developer's name and phone number.
- viii. City's Planning and Development phone number.
- ix. Any additional information the Administrator or their delegate may require.
- e) A proof of the sign must be approved by the City before the sign is built and installed.
- f) The applicant will notify the City when the sign is installed and again upon removal.

10. Council Consideration

- a) Council shall consider every application for **Official Community Plan Amendment, Zoning Bylaw Amendment, Temporary Use Permit, or Development Variance Permit, or Development Permit, not delegated to staff**, together with staff's report and recommendations, and may:
 - i. Approve or deny an application for a development permit, temporary use permit, development variance permit, or bylaw amendment;
 - ii. Give the amending bylaw first and second reading;
 - iii. Forward the amending bylaw to a public hearing or waive the holding of a public hearing;
 - iv. defer the application to be considered at a later date;

~~For Zoning Bylaw Amendment:~~

 - ~~i. Council will only give final reading for property in a Development Permit area in tandem with issuance of a Development Permit for the proposed new land uses.~~
 - ~~ii. The application will lapse if the applicant fails to complete a Development Permit application within six (6) months of the date of Council's third reading of the amendment.~~
- b) Council will only give final reading for a Zoning Bylaw Amendment with prior approval of an Official Community Plan Bylaw Amendment required for enabling the proposed new land uses.
- c) Where a Development Application or Bylaw Amendment requires the approval of any Provincial Ministry, Council will consider approval of the application after receiving the respective Ministry approval(s).
- d) Where a Development Application has been refused by Council, re-application shall not be considered within a six-month period beginning from the date of refusal.

11. Severability

If any section, subsection or clause of this bylaw is for any reason held to be invalid by the decision of a court of competent jurisdiction, such decision will not affect the validity of the remaining portions of this Bylaw.
