Dear Sir,

My name is Peter Moyes. I live at #11 – 1717 Granite Avenue, Merritt, BC.

I'm submitting my Letter of Support for the proposed residential development at the corner of Lindley Creek Road and Hill Street. My support for this project is subject to the City of Merritt's approval for this development.

My reasons for supporting the proposed project are as follows:

- 1) Current shortage of Housing in City of Merritt,
- 2) Good balance of affordable Housing mix being offered in this development,
- 3) Growth is a necessity for sustainability of the City of Merritt,
- 4) Expanded property tax base. eg. Schools, Hospital, Sports and Parks, Retail Services.

Thank-you for considering my thoughts and input.

Respectfully,

Per: _____
